BOOTH & DESIGN CONCEPT MAKE YOUR EVENT MAGICAL

We give life to your ideas while working together. Hand-in-hand we will find the best solutions to fit your needs and budget.

All projects start with mood boards, 3D renderings, and finally the manufacturing. We offer a wide range of possibilities, from the simple booth, to the complex one with LED screens. All elements are carefully packed in wooden crates delivered to your door.

We also rent our existing modules. Your designs can be printed on fabrics as well as different elements (Spin the wheel, ...). We also handle the logistics including delivery, assembly and dismantling.

FOR YOUR EVENTS & STANDS

CONCEPT & DESIGN

Create a unique concept to promote your brand at a fair or event. Let's make the magic happen with your customers!

MANUFACTURING

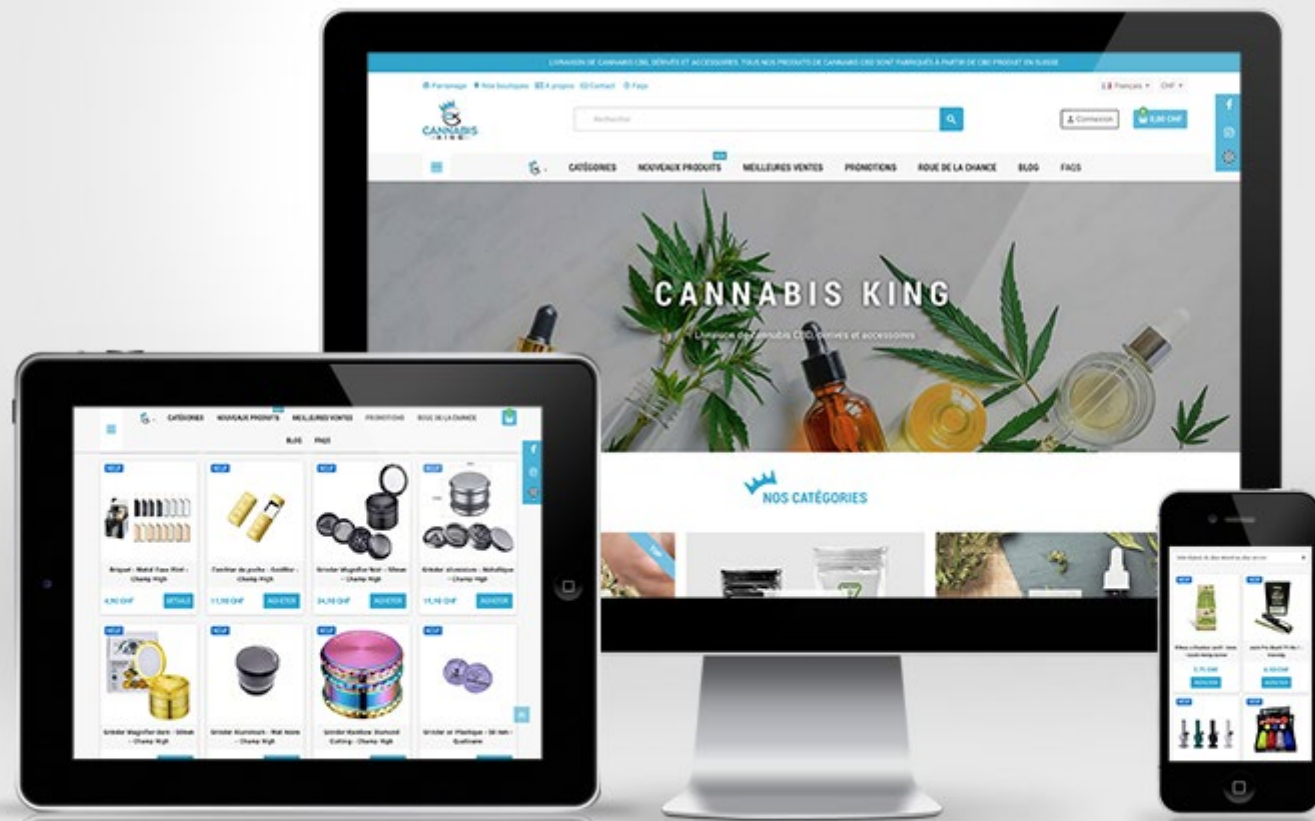

All types of structures and materials are available through our extended network. Your modules will be delivered directly to your door, in strong wooden crates, with mounting instructions.

ENTERTAINMENT CONCEPTS

Entertain your customers with unique games that represent your brand. They will have fun and never forget your brand!

WEBSITE & E-COMMERCE

A SIMPLE WEBSITE

A simple website based on Wordpress CMS to showcase your brand and products. Tell the world you exist.

This pack includes design and programming, as well as basic SEO.

We can also redesign an existing website on any CMS or code.

From
2'000
CHF

E-COMMERCE

If you want to go a step further, we can provide you with a full e-commerce website or redesign yours.

This includes the design as well as development and a payment gateway. We mainly use Prestashop and Woocommerce, but any CMS is welcome.
